1) submitted. Sanction is sought to continue the clerk for a period of one more year from 3-10-54. It is perhaps desirable to call for details as to when the clerk was first employed & the number of cases he attended to and the number of cases still pending. The tendency on the part of the Government Trust Boards is to create posts on a temporary basis for a short period and then to seek sanction to continue them indefinitely by getting piecemeal sanction. It is for us to see whether the particulars may be called for in the first instance. A draft D.O. letter is put up for consideration. G.O.Ms.L. 181 D 4-10-54

SIR,

Subject : Continuance of the services of a II division clerk, for clearance of arrears in Accounts Section for one year beyond 3-10-1954.

I write to state that Government in their Order No.L. 2822-3/I.T.B.14-54-18 dated 16-6-1954, sanctioned the services of a II division clerk for clearance of accounts in this office for a period of one year from 3-10-1953. The period of present sanction expires on 3-10-1954.

In view of the volume of work involved in bringing the section upto-date, I recommend for the continuance of the services of the clerk for a further period of one year from 3-10-1954. There is heavy arrears still to be attended to by the Clerk, as most of the audit objections relating to the year 1947-48 etc., also are now received from the Audit Office. This work cannot be attended to by the existing staff as the normal work of the several sections in the office has increased four-fold on account of the several improvement and housing schemes taken up by the Board in recent years. It is therefore desirable to continue the post of the arrears clearing clerk for a further period of one year in the interest of public service.

The matter has been placed before the Trust Board meeting to be held on 29-9-1954 and the formal resolution thereon will be sent to Government in due course. In the circumstances, I request you kindly to obtain and communicate early orders of Government for the continuation of the services of the II division clerk for a further
